## **GLASSMAN TOOLS FOR TOLERANCE® 1-Year Anniversary Follow-up Plan**

Dear Tools Alumni:

The year has flown by since your return from the Glassman Tools for Tolerance® programme. It is now time to complete the 1 year update. This is the final requirement you agreed to when you commenced your Glassman Tools for Tolerance® experience. Please detail what you have achieved in relation to the programme and your anticipated/realized outcomes. Please use the guide below to communicate with us. Ideally this update should be presented on letter head.

1. Discuss the long-term relevance to you of the Glassman Tools for Tolerance® Programme.
2. Detail how and what you implemented this year that pertain to the lessons learned and discussed at the Glassman Tools for Tolerance® workshop. Any information you can share regarding both your personal and professional experiences is appreciated. How has your community benefited from your experience? List your objectives and discuss how they were implemented. What next steps do you intend to pursue.
3. Have you had any communication/follow up since your Glassman Tools for Tolerance® workshop with Friends of Simon Wiesenthal Center?
4. Who would you recommend attend this training? Please provide contact information.

Thank you for your time. We look forward to receiving your updates. This information may be shared to further encourage continued growth and involvement by fellow Glassman Tools for Tolerance® alumni.
