

GLASSMAN TOOLS FOR TOLERANCE® 1-Month Planning Sheet

Dear Tools Alumni:

Now that a month has passed since your participation in the Glassman Tools for Tolerance® course, I'm sure you have had time to reflect upon the programme you have completed. Below is a guideline for you to follow to complete the follow-up requirements. Please feel free to include any additional information, power point presentations, etc. that you wish to add. Ideally this plan should be presented on letter head.

1. Discuss your experience and impressions of the Glassman Tools for Tolerance® Programme.
2. Detail how you expect to implement the information you received on the Glassman Tools Programme over the next year (or beyond) both personally and extending your reach to others within your department and/or community. Please refer to the strategic plan detailed in your application form. Discuss the present conditions faced and the future goals and objectives planned. Intended presentations, workshops, curriculum development, community planning, etc. should be included.
3. What type of follow up are you looking for from Friends of Simon Wiesenthal Center, training or otherwise?
4. Who would you recommend attend this training? Please provide contact information.

Thank you for your time. We look forward to receiving your updates. This information may be shared to further encourage continued growth and involvement by fellow Glassman Tools for Tolerance® alumni.

Please remember to include your name and the date/name of the Tool's workshop you attended.
